Nomination tips:

- **Tell a story.** This is our industry’s opportunity to celebrate excellence, but that excellence would not exist without the people. A terrific way to highlight achievement is to share stories about the nominee that demonstrate that fact.
- **Includenumbers.** No matter what award you are submitting a nomination for, there are numbers you can include to validate the success of your employee, team, campaign, event, venue, etc.
- **Focus on the recent.** These are annual awards, and submissions should focus on the achievement over the past year. Please refrain from including information in your submission prior to 2022/23 or your most recent complete fiscal year, unless the information provides germane context to the recent achievement (percent increase in visitation, sales, etc.) The judging body will emphasize these criteria when evaluating submissions this year.

Top HAT Awards nominations will be sent to a third party, which will determine the winner of each category. All finalists will be announced prior to the awards dinner and the winner of each award will be announced at the annual awards dinner at 7:00 pm on November 14 at the Sheraton Uptown - Albuquerque.

Members and non-members can nominate a team or individual who qualifies under the award categories. ***The nominee does not have to be a member to be nominated.***
